The image shows the 'Join Meeting' screen in the Zoom app. At the top, there's a status bar with '中国移动', '下午3:59', and '35%' battery. Below it, a '取消' (Cancel) button and a '加入会议' (Join Meeting) button. A '会议ID' (Meeting ID) field with a checkmark icon is visible. Below that, a button says '使用会议室名称加会'. The screen then shows 'Liwei的 iPhone' and a large blue '加入会议' button. A message says '如果您收到了一个邀请链接，请再次点击它加入会议'. Below this, there are toggle switches for '加会选项' (Join Options), '不自动连接语音' (Do not automatically connect audio), and '保持摄像头关闭' (Keep camera off). At the bottom is a numeric keypad with letters assigned to each number (e.g., 1-9, 0, and a backspace key).
